

Apply for the Salters' Graduate Award

SALTERS'
AWARDS
& ALUMNI

Apply for a chance to win £500!

We are looking for final year undergraduates who:

-  are graduating in summer 2026 with a degree in either chemistry or chemical engineering
-  show some knowledge of the current chemical industry and the need for future innovation
-  show passion, skills and motivation to lead and shape the UK chemical or related sectors
-  demonstrate the ability to inspire and motivate others
-  have a willingness to participate in the Institute's activities and join our alumni network

ARE YOU A LECTURER?
