

The Salters' Institute

Porter Prize

SALTERS'
AWARDS
& ALUMNI

£3,000 funding* available for
a summer research project

Candidates must:

- ✓ be currently in their 1st or 2nd year of a chemistry, biochemistry or chemical engineering degree at a UK university
- ✓ have identified a research project and supervisor
- ✓ have a willingness and ability to participate in the Institute's activities and join our network of alumni

We will prioritise applications from students who meet one or more of the following criteria:

- Have been eligible for free school meals in secondary school
- Are care-experienced

APPLY NOW

DEADLINE: 28 MARCH 2025

*The funding is to support the Prize winner and not intended to be used for lab consumables or other project related costs.
